We are excited to announce that the Village of Stockbridge and Granger Waste Services have agreed to a 5-year contract to continue providing collection services to Stockbridge residents. Please review the following changes to your account, which will be effective June 1, 2022.

Carts

New trash and recycling carts will be delivered to all residents without carts the week of May 23. If you have a recycling tub, please leave it out the evening of May 22 for exchange during the week of May 23. Please begin using your carts right away.

Trash Service

Your trash service includes weekly collection with your cart and up to three additional bags each week. Bags should be no larger than 30 gallons and weigh no more than 30 pounds. Please note, we will no longer collect trash from personal containers.

Recycling Service

Beginning the first week in June, your recycling service will be collected every other week. The collection day will still be Thursdays. Please see the enclosed materials for further information.

Yard Waste Service

Residents may place up to 10 paper yard waste bags or small bundles (or a combination of both) out each week. We will no longer collect yard waste from personal containers. Please see the enclosed materials for guidelines.

Bulk Collection

Collection of one bulk item (mattresses, stoves, furniture, etc.) per week is included in your service at no additional charge. Additional bulk items can also be collected for a charge. For all bulk collections, please contact us at least 48 hours in advance of your service day by completing the form at www.grangerwasteservices.com/customer-support/bulk-pickup-request or calling 1-888-947-2643.

New Resource

We have created a new resource for Stockbridge residents. This landing page will help you easily access the most up-to-date information about collection guidelines, holiday delays, payment and billing. You can access this page at www.grangerwasteservices.com/stockbridge.

We look forward to continuing to service the Village of Stockbridge. If you have any questions, please contact us at info@grangernet.com or 1-888-947-2643.

Thank you!
