VENDOR GUIDELINES:

1. Vendors must provide their own tables, tents, bags or containers for produce/product and change for use.
2. Market stall will be a minimum of one (1) parking space wide (approx. 11' X 11'). Designated walkways must be kept clear.
3. Vendors **MUST** bring weights if they plan on setting up a tent. Each tent must have 4 weights, one for each leg, and they must be firmly attached. Weights must each be a minimum of 10 pounds to ensure the tent is properly anchored. If a vendor does not have weights, they are not allowed to set up their tent for the day, although they may set up a table and display. The event will not provide weights alone for liability reasons. Damage to tents because of wind or other circumstances are the responsibility of the vendors and not the market, unless the tent is the events property.
